

# Saltash Regatta Cardboard Boat Race

## Rules & Briefing

Sunday 4 September 2022

The aim of the event is to make and race an eco-themed boat (not rafts) made entirely out of cardboard with up to two people on board. Fancy dress is strongly advised! Competitors will attempt to complete a pre-set circuit starting from Ashtorre slipway and making it back to the finish line. Prizes this year will be for: The Most Impressive Sinking Vessel, The Best Fancy Dress, The Brunel Award for Creativity (for the most eco-creative design), and the Overall Winner. The competition is open to individuals, local businesses, schools, clubs, organisations or anyone who would like to have a go. All you need is a cardboard boat, a team name and a good sense of humour!

***In order to avoid disqualification and to make it as fair as possible for everyone, please follow these rules:***

- Due to the amount of interest in previous years we will be limiting the number of entries, so if you want to compete, you will need to **register online** here <https://forms.gle/7Bncdx6h7ZugEKqe6> prior to the event and as soon as possible to avoid disappointment.
- Boats must be made of only cardboard. Any thickness of corrugated or sheet cardboard is permitted (no wax coating, or spray painting). Tubes from inside carpet rolls are permitted.
- Joining seals: Duct tape may be used, or if you are wanting to go for the eco prize, you can purchase **biodegradable eco-tapes** online. Please DO NOT cover your boat in duct tape.
- Anything used to decorate the boats needs to be marine friendly e.g. no plastic (Saltash Scrap Store have a variety of decorating materials you can use).
- Paddles or other methods of propulsion must be homemade.
- Boats to be built prior to the event.
- A buoyancy aid must be worn by all competitors. Please bring your own if you have one, otherwise there will be some available to borrow on the day.
- The minimum age of entrants is 10 years old. Under 14's to be accompanied by an adult. Under 18's need to have parents/guardians present at the race along with their written consent. The cardboard boat team will provide you with a consent form when you drop off your boat at the HQ based by JustBe.
- Each team is responsible for removing their entire boat or salvage any remains and personal items from the estuary. There will be a skip and volunteers to help you dispose of your vessel at the slip way.
- Each team must present their boat to the Admiral any time between **10:00 – 12:00** to gain his seal of approval! Entrants will need to meet outside JustBe at **12.30** for a safety briefing. Race will commence at **13:00**.
- The cardboard boat team will be located under the marquee next to JustBe on Sunday 4 September where you will be asked to sign in. Road marshals will help direct you in your car to the closest drop-off point.
